Minibeast Project

Your child received their minibeast project last week and all students were very excited to begin their research into a minibeast that is of interest to them. There are three parts to the minibeast project and if any extra help or materials are needed, students can ask their teacher at anytime before the holidays.

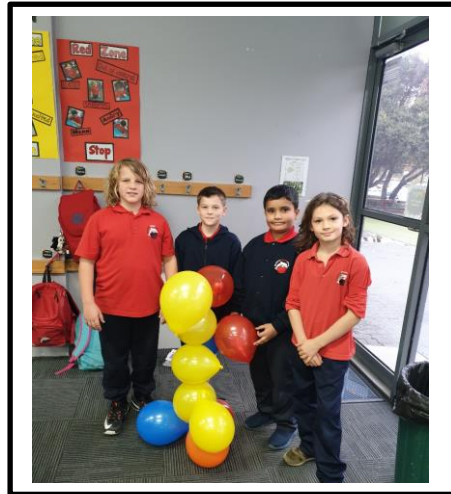

The project is due Term Three, end of Week one – Friday 19th July.

It is expected that **ALL** students complete home reading at least 20 minutes, 4 nights per week. This must be recorded and parents are required to sign their child's diary each night they read.

Term 2 Highlights

Clubs

Our students are currently half way through our fun and engaging Clubs program. The students selected from a range of activities including Science Club, Robotics, Graffiti Art, Aerobics and Drama. All students have taken on new skills and enjoying working with a range of students from 3-6.

Tennis

This semester 3/4V, 3/4R and 3/4W enjoyed participating in five weeks of tennis lessons offered to us by Tennis Australia. The students were engaged when learning new tennis techniques and enjoyed playing a range of games. 3/4M are excited to begin their lessons and learn new tennis skills.

Earn & Learn

In class we have been collecting the earn & learn stickers from Woolworths Supermarket. We are trying to collect as many as we can between now and the 25th June! If you have any you can send in please do so by the date, so we can get extra sports equipment for our school.

Reading with Rooney

Reading with Rooney is becoming a popular activity. Children also enjoy reading their stories to him.
