August

Father's Day
Afternoon Activities
Wednesday 28th
August

End of Term 3
Friday 20th
September
(Dismissal 2:30)

Wow!! We are half way through the year!
It has been a fabulous year so far and we are all looking forward to all the activities and learning experiences that are on offer for the rest of the year.

Our Spinning Planet

Our Inquiry topic for Term 3 is 'Our Spinning Planet'. The students will be involved in researching and learning about the Sun, Earth, Moon and the Planets in our Solar System. Our excursion to Scienceworks is on **Tuesday 30th July**. The payment was due today and all students are very excited to visit and explore all the wonderful things that Scienceworks has on offer. This excursion will help us further develop our knowledge of our earth and solar system. This excursion is a vital part of our Inquiry Unit, 'Our Spinning Planet'.

Camp

Thank you to everyone who has paid the deposit for the **Phillip Island Adventure Camp in Term 4**. All of the children are very excited and are counting down the days until this fabulous experience. A note regarding the next payment will be sent home in the following few weeks outlining the final cost of the camp. We will be sending home information about what children need to bring and medical forms later this term.

Clubs

Our students are very excited to have our Senior School Clubs Program running again this term, starting in Week 6. The students will be offered a range of experiences, with new activities to choose from. Each student will be asked for their preferences and we will endeavour to see that all students get one of them. The cost of this program is \$5.00.

If you have not yet paid could you please send this payment along to school as soon as possible.

Minibeast Expo

We would like to thank all the students and parents who participated in the Minibeast Project. We hope you enjoyed spending the time together. The Exhibition was a great success and it was wonderful for our 3/4s to showcase with the school and parents all their tremendous hard work and effort.

Saying farewell to Miss Visser

We are very sad in hearing the news of Miss Visser leaving Frankston Primary School. Miss Visser was successfully offered the opportunity to start teaching at an international school overseas in Dubai. We will enjoy her last weeks at FPS and say goodbye to her on Friday 9th August. We wish Miss Visser all the very best in her new ventures and hope to see her back at FPS in the future.

From all the 3/4 team

Virginia McKenzie, Linda Robertson, Caitlin Visser and Rebecca Wilson
